Privacy Policy

Last updated: 08 May 2017

This page informs you of our policies regarding the collection, use and disclosure of Personal Information we receive from users of our site and our apps.

Our site and apps:

This privacy policy is applicable to our site (http://macappstudio.com) and all the apps in App Store and Google Play under the name George Sargunaraj C.

Purpose:

MacAppStudio is committed to protecting any personal information that We may receive while You access the website or our apps. We believe it is important for you to know how we treat information about you that we may receive from the site or apps accessed by you. This Privacy Policy is devised to help You feel more confident about the privacy and security of Your personal details.

Information we collect:

Information you provide to us:

While using our Site, we may ask you to provide us with certain personally identifiable information that can be used to contact or identify you. Personally identifiable information may include, but is not limited to your name ("Personal Information"). We usually collect name, email address and phone numbers.

Information that is automatically collected:

Like many site operators, we collect information that your browser sends whenever you visit our Site ("Log Data"). This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser type, browser version, the pages of our Site that you visit, the time and date of your visit, the time spent on those pages and other statistics.

How do we use the information:

We collect your personal information in the site only in case of enquires so that we may be able to contact you back. We do not store your personal information nor sell or share your personal information to any third party.

We collect name, email address and phone number in some of our apps for registration purposes and to customize the app experience for the user. The data are securely stored and we do not sell or share them with any third party.
Security and Data Storing:

Security is very important to Us. All security procedures are in place to protect the confidentiality, integrity and availability of Your User Information. We maintain strict physical, electronic, and administrative safeguards to protect Your User Information including your personal information from unauthorized or inappropriate access.

Communications:

We may use your personal information to contact you for sharing information pertaining to website or our apps. This is an optional service provided to enhance the experience for the users.

Updates:

We may change this privacy policy from time to time and You should check these regularly. Your use of the website or our apps will be deemed an acceptance of the privacy policy existing at that time.
